Attorney Vanessa Chavez introduced the In-Fill Annexation map and the petition. She mentioned that along with the map, a copy of all the 147 property descriptions will be attached. Ms. Chavez mentioned that there are three sections excluded in the In-Fill Annexation due to some land being part of federal government and/or because the assessor has no information on the property. Ms. Chavez reported that all statutory requirements have been met. Santa Fe County has consented to annexation of the roads and this is going to their Commission for final approval. The municipal services that the Town of Edgewood would provide will be sanitary sewer, solid waste, Police, Fire, and Animal Control. Ms. Chavez stated that water, electrical, natural gas, telephone, and cable television are presently available and provided by the utility companies. Community based services and road maintenance are already provided by the Town of Edgewood.

John Bassett requested an extra map and wondered if this annexation would be accepted prior to the moratorium in March 2016. Mayor Hill stated that the answer is unknown at this moment. Ms. Chavez mentioned it depends on the Boundary Commission schedule. Mr. Bassett asked when the annexation moratorium would be adopted. Ms. Muller stated the resolution for the election and the resolution for the moratorium are adopted in November.

MOTION: Councilor Ring made a motion to approve the Petition and it to be sent to the Boundary Commission.
Councilor Abrams second the motion with discussion about procedure.

Councilor Abrams stated that under "Matters from Attorney" it has review and approval of the In-Fill Annexation and not the Petition. Ms. Chavez replied that the Council does not have the authority to approve the Annexation and the only thing that can be approved submittal of the Petition.

A. Police Report and Animal Control Report for the month of September, 2015.

Councilor Abraham second the motion

8. **TOWN OF EDGEWOOD PAY PLAN/JOB DESCRIPTION PRESENTATION – Mr. Vince Yermal.**

Mr. Vince Yermal is the Consultant for S Resources Inc. In 2006, Mr. Yermal presented the initial Pay Plan/Job Descriptions. In 2008 and 2011, the Town of Edgewood received updates to this Pay Plan/ Job Descriptions. He stated there are a total of twenty-seven job classifications, and twenty-one of those classifications had no change. Four new classifications were created which are: Planning and Zoning Administrator, Deputy Clerk, Facilities Maintenance Technician, and a Library Specialist. There was one minor title modification, and one deletion of a class modification, which were the Community Planning and Development Manager. Mr. Yermal stated that once the job descriptions have been identified the next step is to look at local entities with the same functions as of the Town of Edgewood. These local entities used to review the job market rate were: The City of Albuquerque, Bosque Farms, Los Lunas, Los Ranchos, Moriarty, Rio Rancho, Santa Fe, Santa Fe County, and the State of New Mexico.

Councilor Ring stated he was surprised at the review of the market rate in the areas of City of Albuquerque, Rio Rancho, Santa Fe, Santa Fe County, and the State of New Mexico. He mentioned that those cities have nothing in common with the Town of Edgewood, the number of employees or the scope of responsibility, and we should just start over. Mayor Hill spoke briefly on the Pay Plan/ Job Descriptions.

Madame Chair McGill introduced the Findings of Fact and Conclusions of Law for the request for Conditional Use for the Dollar Tree Store.

Commissioner Gabel asked a question regarding the Notification section of the "Findings". He recommended that in lieu of the wording "adjoining property owners", "property owners within 500 feet" should have been use, since the notification requirements of the Early Neighborhood Notification Ordinance was used by staff.

Steve Shepherd agreed and replied that there are three sets of notification requirements within the Planning and Zoning ordinances. He would like to have a discussion in the near future with

the Commissioners to modify the Zoning Ordinance, Subdivision Ordinance, and Early Neighborhood Notification Ordinance to reflect the same notification requirements.

MOTION: Commissioner Gabel made a motion to approve the Findings of Fact, Conclusions of Law and Recommended Order, Case SU 2015-CU910, application for a Conditional Use Permit for the Dollar Tree Store located at 1 George Court, Edgewood, NM87015, Lot 15A, Township 10 North, Range 7 East, Section 28 N.M.P.M. Madame Chair McGill introduced the Findings of Fact, Conclusion of Law and Recommended Order for the vacation of lot line and re-plat for Robert and Lisa Scribner.

Commissioner Gabel noted that the process is clear that the applicant could not take action on the approved plat until the plat was officially recorded.

Mr. Shepherd asked if the Commissioners would like that information added to the "Findings" in the future.

Commissioner Gabel confirmed that would be desired.

Mr. Robert Scribner agreed that he would honor that request and his surveyor will be responsible for signatures on the final plat and the recording of such.

7. DISCUSSION OF LETTER FROM MR. JOHN BASSETT TO THE TOWN OF EDGEWOOD PLANNING AND ZONING COMMISSION DATED 10/06/15.

Madame Chair McGill opened the discussion by disclosing that she is a property owner of a C2 Commercial parcel.

Commissioner Gabel suggested that the letter from Mr. Bassett, dated October 5, 2015 is related to a recent case where a variance was granted for height of a building. The letter requested that the Commission create a new or amend the current ordinance to allow for the "new" maximum height limit for all future development.

Commissioner Gabel stated he has concerns with an overall change to the Ordinance. The variance process is there to be able to consider each request on a case by case basis. He noted that the Commission has only had one variance request, so he did not feel a revision was called for at this time.

Commissioner Navarre commented that he had concerns with the potential to show favoritism if the requests are handled on a case by case basis. He felt there should be criteria established on how to fairly evaluate each application.

Commissioner Markley replied the variance process in effect gives us protection from something away from the ordinance. He, also, did not think a modification was needed at this time.

Commissioner Thompson agreed with the others stating this should be handled on a case by case basis and should not be changed at this time.

Madame Chair McGill commented on the Commercial Overlay Zone, which is a specific area created to provide flexibility for signage.

Mr. Shepherd suggested the Commissioners may want to establish this area for building height as well.

Madame Chair McGill stated an example of 1000 to 1500 feet from the I-40 intersection might work.

Commissioner Markley commented on the Town of Edgewood Comprehensive Plan with regards to it age and that it may be a good time to update it to redefine this type of change.

Steve Shepherd stated he could see both side of this issue; he agrees with a certain amount of fairness, but adding this to C2 zoning wouldn't work. The Commercial Overlay district would be more restrictive and could be expanded in size.

Mr. Bassett asked the Commissioners to put some thought into this and make a decision at a later date, after more discussion.

Mr. Scribner added that he has done lots of business with other counties and finds that C1 with Conditional Uses seem to work best for them.

The Commissioners agreed to continue this discussion at a later date after time to consider options.

8. MATTERS FROM THE CHAIR AND COMMISSION MEMBERS.

Madame Chair McGill expressed her appreciation for the Commissioners. She stated she felt they were thoughtful, considerate and careful in making their decisions.

9. MATTERS FROM STAFF.

Steve Shepherd reported that Penny Green, from Santa Fe County Planning and Zoning responded to our invitation to attend (or have a one of her staff members attend) a future PZ meeting in Edgewood. Mr. Shepherd stated he would also like the Commissioners to take a look at some amendments to our Ordinances and a process to do so.

10. CALENDAR UPDATE AND FUTURE AGENDA ITEMS.

Bonnie Pettee commented on the Infill Annexation for Edgewood. She noted that the Town Council will be addressing the proposal at this week's meeting. She would like to bring an update to the Commissioners at the next meeting.

Steve Shepherd reported that staff would like to revise its applications and fee schedules. Staff would like the Commissioner's input on those, as well.

Madame Chair McGill asked if the revisions could be emailed, so the Commissioners could have time to study them prior to the meeting.
Since there are no applications pending, the Commissioners agreed that the meeting scheduled for November 2, 2015 would be cancelled. The next Planning & Zoning meeting will be held on November 17, 2015.

MOTION: Commissioner Navarre made a motion to adjourn tonight's meeting.

SECTION 14. COVENANTS TO HOLD HARMLESS

To the extent permitted by New Mexico law, Tenant agrees to indemnify and save Landlord harmless against and from any and all claims, damages, costs and expenses, including reasonable attorney's fees, arising from the conduct or management of the business conducted by Tenant in the leased premises or from any breach or default on the part of Tenant in the leased premises or from any breach or default on the part of the Tenant to be performed pursuant to the terms of this lease agreement, or from any act of negligence of Tenant, its agents, contractors, servants, employees, subleases, concessionaires, or licensees in or about the leased premises.

Landlord agrees to indemnify and save Tenant harmless against and from any and all claims, damages, costs and expenses, including reasonable attorney's fees, arising from any breach or default on the part of Landlord of any of its duties to be performed pursuant to the terms of this rent agreement, or from any act of negligence of Landlord, its agents, contractors, servants, employees, subleases, concessionaires, or licensees in connection with this rent agreement.

SECTION 15. ASSIGNMENT OR SUBLETTING

Tenant agrees not to sell, assign, mortgage, pledge, or in any manner transfer this rent agreement or any estate or interest there under and not to sublet the leased premises or any part or parts thereof and not to permit any licensee or concessionaire therein without the previous written consent of Landlord in each instance. Consent by Landlord to an assignment of this rent agreement or to a subletting of the rented premises shall not be a waiver of Landlord's rights under this rent agreement as to any subsequent assignment or subletting. Landlord's rights to assign this rent agreement are and shall be governed by the provisions of SECTION 28, 31.4 and 32.

SECTION 16. OPTION TO EXTEND

Provided that written notice is given 90 days or more prior to the expiration of this lease, Tenant shall have the option to extend this lease for one additional year period subject to the conditions mentioned in Section 1.

SECTION 17. ACCESS TO PREMISES

Landlord reserves the right to enter upon the leased premises at all reasonable hours for the purpose of inspecting the same, or of making repairs, additions, or alterations to the building in which the rented premises are located, to exhibit the rented premises to prospective tenants, purchasers, or others, to display during the last ninety days of the term, without hindrance or molestation by Tenant, "For Rent" or similar signs on windows or doors in the leased premises. The exercise by

Landlord of any of its rights under this section shall not be deemed an eviction or disturbance of Tenant's use and possession of the rented premises. Landlord will make a good faith attempt to advise Tenant at least twenty-four hours prior to arrival at the leased premises. Landlord will also make a good faith effort to coordinate with Tenant prior to scheduling or making repairs, additions, or alterations to the building to avoid unnecessary interruption to the Tenant's operation of the public library.

SECTION 18. UTILITIES

Building utilities (water, gas, electricity, fire system inspection and monitoring, common area janitorial service, building exterior grounds and/or parking lot maintenance, trash removal costs, and septic tank servicing costs) shall be prorated amongst the tenants in accordance with square footage and shall be part of the "pass-through" charges and included in the rent payment. If there is extraordinary or unusual use of utilities or facilities, the extra costs thereof may be passed on to the Tenant.

SECTION 19. LAW GOVERNING

The laws of the State of New Mexico shall govern the validity, performance, and enforcement of this rent agreement.

SECTION 20. EMINENT DOMAIN

In case all or a substantial portion of the rented premises is taken by the exercise of the power of eminent domain, this rent shall terminate as of the date possession is taken by the condemner, and Landlord shall refund any rent paid in advance for periods after that date.

The entire compensation awarded shall belong to Landlord without any deduction there from for any present or future estate or interest of Tenant, and Tenant hereby assigns to Landlord all of its right, title and interest in and to any and all such compensation together with any and all rights, estate and interest of Tenant now existing or hereafter arising in and to the same or any part thereof.

SECTION 21. ATTORNEY'S FEES

In the event of any suit initiated by either Landlord or Tenant which is in any way connected with this rent agreement, or for the recovery, possession or unlawful detainer of the leased premises, the losing party shall pay to the prevailing party its costs and reasonable sum for its attorney's fees, in connection with said suit, and such costs and attorney's fees shall be deemed to have accrued on the commencement of such action and shall be paid wither or not such action is prosecuted to judgment.

SECTION 22. UNTENANTABILITY

In the event the rented premises shall be destroyed, or so damaged by fire, explosion, windstorm, or other casualty as to be untenable, Landlord may restore the rented premises within ninety (90) days after such destruction or damage, or may terminate this rent and the term demised as of the date of the destruction or damage, in either case by giving Tenant notice within thirty days after the date of the destruction or damage, and the fixed minimum rent shall abate on a per diem thirty day month basis during the period of restoration. In the event the rented premises shall be damaged as aforesaid but are not thereby rendered untenable, Landlord shall restore the rented premises with reasonable dispatch, and while such damage is being repaired, Tenant shall be entitled to an equitable abatement of the fixed minimum rent. Landlord shall not be liable or responsible for any delays in rebuilding or repairing due to strikes, riots, acts of God, national emergency, acts of a public enemy, governmental laws or regulations, inability to procure materials or labor or both, or any other causes beyond its control.

SECTION 23. REMEDIES

The estate and term of Tenant shall cease in the event proceedings are instituted in a court of competent jurisdiction for the reorganization, liquidation or involuntary dissolution of Tenant, or for its adjudication as a bankrupt or insolvent, or

for the appointment of a receiver of the property of Tenant, and said proceedings are not dismissed, and any receiver, trustee or liquidator appointed therein discharged, within thirty days after the institution of said proceedings.

Page 4

Landlord may terminate the estate and the term demised by ten days written notice to Tenant upon happening of any one or more of the following events: (1) the making by Tenant of an assignment for the benefit of its creditors; (2) the levying of a writ of execution or attachment on or against the property of Tenant; (3) the taking of any action for the voluntary dissolution of Tenant; (4) the doing, or permitting to be done by Tenant of any act which creates a mechanic's lien or claim therefore against the land or building of which the rented premises are a part; and (5) the Tenant's failure to perform any other of its covenants under this lease for thirty days.

Upon termination of the estate as aforesaid, Landlord may re-enter the rented premises with or without process of law using such force as may be necessary, and remove all persons and chattels there from and Landlord shall not be liable for damages or otherwise by reason of re-entry.. Notwithstanding such termination, the liability of Tenant for the minimum rent provided for herein shall not be extinguished for the balance of the term remaining after said termination, and Landlord shall be entitled to recover immediately as liquidated damages an amount equal to the fixed minimum rent for the said balance of the term. However, Landlord shall make a good faith effort to mitigate damages by seeking an alternative tenant or use for the premises.

In the event of any breach hereunder by Tenant, Landlord may immediately or at any time thereafter, without notice, cure such breach for the account and at the expense of Tenant. If Landlord at any time, by reason of such breach, is compelled to pay, or elects to pay, any sum of money or do any act which will require the payment of any sum of money, or is compelled to incur any expense, including reasonable attorney's fees, in successfully instituting or prosecuting any action or proceeding to enforce Landlord's rights hereunder, the sum or sums so paid by Landlord, with interest thereon at the rate of twelve percent per annum from the date of payment thereof, shall be deemed to be additional rent hereunder and shall be due from Tenant to Landlord on the first day of the month following the payment of such respective sums or expenses.

SECTION 24. SURRENDER OF PREMISES

Tenant will at the expiration or termination of this rental agreement, yield up possession to Landlord and failing to do so, will pay as liquidated damages for each day possession is withheld, an amount equal to double the amount of the daily minimum rent, computed on a thirty day month basis. All rights and remedies of Landlord herein enumerated shall be cumulative and none shall exclude any other right or remedy allowed by law.

SECTION 25. LIENS

Tenant covenants and agrees, throughout the term of this rent agreement, to keep all of the leased premises and every portion thereof free and clear of and from any and all mechanic's, material men's or other liens. Tenant further covenants and agrees that, to the extent permitted by New Mexico law, it shall save, indemnify and hold Landlord and all of the leased premises and all buildings and improvements thereon free and harmless of and from any and all such liens and claims of lien. Should Tenant fail to discharge or cause the release of any such lien of charges, Landlord, at its option, may satisfy said lien by the payment thereof. If payment is so made, until repayment by the Tenant, said payment shall bear interest at the rate of twelve percent per annum from the date said payment is so made, until repayment by Tenant, which repayment shall be due and payable by Tenant at such time as the next installment of rent shall become due and payable. Said right of Landlord to so satisfy any said lien or charge as provided under the terms of this paragraph shall be in addition to any other rights reserved to Landlord under the terms of this rent agreement or under applicable law and said right is not intended to be exclusive of any other remedies or means of redress to which Landlord may be lawfully entitled by reason of any breach or threatened breach by Tenant.

SECTION 26. NOTICES

Any notice required or permitted under this rent agreement shall be deemed sufficiently given or served if sent by registered mail to Tenant at the address of the rented premises or to Landlord at the address then fixed for the payment of rent. Either party may at any time and from time to time designate a different address to which notices shall be sent. Notices given in accordance with these provisions shall be deemed received when mailed.

SECTION 27. LANDLORD NOT A PARTNER

Nothing contained in this rent agreement shall be deemed or construed by the parties hereto or by any third party to

Page 5

create the relationship of principal and agent or of partnership or of joint venture or of any association between Landlord and Tenant, it being expressly understood and agreed that neither the method of computation of rent nor any other provisions contained in this rent agreement nor any acts of the parties hereto shall be deemed to create any relationship between Landlord and Tenant other than the relationship of Landlord and Tenant. No waiver of any default hereunder shall be implied from any omission of Landlord to take any action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the express waiver and that only for the time and to the extent therein stated. One or more waivers of any covenant, term or condition of this rent agreement by Landlord shall not be construed as a waiver of a subsequent breach of the same covenant, term or condition. The consent or approval shall not be deemed to waive or render unnecessary Landlord's consent or approval to or of any subsequent similar act by Tenant. The necessary grammatical changes required to make the provisions of this rent agreement apply in the plural sense where there is more than one Tenant, and to either corporations, associations, partnerships or individuals, males or females, shall in all instances be assumed as though in each case fully expressed.

SECTION 28. ASSIGNMENT BY LESSOR

Notwithstanding any of the provisions of this rent agreement, upon written notification to Tenant, Landlord may assign, in whole or in part, Landlord's interest in this lease agreement, and Landlord may sell the leased premises.

SECTION 29. SECTION HEADINGS

The headings of the several sections contained herein are for convenience only and do not define, limit or construe the contents of such sections.

SECTION 30. ASSIGNMENTS IN WRITING

It is understood that there will be no oral agreements between the parties hereto affecting this rent agreement and this rent agreement supersedes and cancels any and all previous negotiations, arrangements, brochures, agreements and understandings, if any, between the parties hereto or displayed by Landlord to Tenant with respect to the subject matter hereof and none shall be used to interpret or construe this lease. It is further agreed by and between the parties hereto that there shall be no modification or amendment of this rent agreement, except as may be executed in writing between the parties hereto.

SECTION 31. MISCELLANEOUS PROVISIONS

1. Time of Essence. Time is hereby expressly declared to be of the essence of this lease and of each and every covenant, term, condition, and provision hereof.
2. Partial Invalidity. If any term, covenant or condition of this rent agreement or the application thereof to any person, entity or circumstance shall, to any extent, be determined invalid or unenforceable, the remainder of this rent agreement, or the application of any term, covenant or condition to persons, entities or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby and each such remaining term, covenant or condition of this rent agreement shall be valid and shall be enforced to the fullest extent permitted by law.
3. No Reservations. The submission of this rent agreement for examination does not constitute a reservation of the leased premises and this lease becomes effective as a lease only upon execution and delivery thereof by Landlord and Tenant.
4. Waiver of Liability. Anything in this rent agreement to the contrary notwithstanding, Tenant agrees that it shall look solely to the estate and property of the Landlord in the building of which the leased premises are a part, and, subject to the prior rights of any mortgage on the premises, for the collection, satisfaction or enforcement of any judgment (or other judicial or administrative process) requiring the payment of money or the performance or non performance of certain acts by Landlord in the event of any default or breach by Landlord with respect to any of the terms, covenants and conditions of this rent agreement to be observed and/or

performed by Landlord, and no other procedures for the satisfaction of any remedy, judgment, or order of Tenant. If Landlord transfers this lease, except as collateral security for a loan, upon such transfer, all of the Landlord's duties will

Page 6

become the duties of the transferee and Edgewood Commercial, LLC, will have no further duties under the lease agreement.

SECTION 32. SUCCESSORS AND ASSIGNS

The terms, covenants and conditions hereof shall be binding upon and inure to the successors in interest and assigns of the parties hereto.

SECTION 33. SECURITY DEPOSIT

Tenant will secure his lease with a deposit in the amount of one month's lease payment, paid at lease execution date. Security deposit may be returned to Tenant upon completion of lease if unit is vacated in a clean, undamaged and rentable condition. Reasonable wear and tear is not considered damage for purposes of this Section.

IN WITNESS WHEREOF, Landlord and Tenant have hereunto executed this lease agreement and affixed their respective seals as of the day and year first above written.
